## Stretch Wrap

Types of Stretch Film:

- Hand Wrap Film
- Super Power stretch film
- Furniture stretch film
- Pallet Wrap Film
- Food Stretch Film
- Color Stretch Film

All the Stretch film are available in 2, 3 and, 5 layer model.  
The width of the films varies between 10 to 150 cm.  
The thickness of the films varies between 10 to 30 $\mu$ m

#### Most Important Feature for Pallet Wrap Film:

- High elasticity and adhesion when used in industrial devices
- Having high thermal resistance between -40 and +80 degrees Celsius
- Assist in safe packaging of products
- High accuracy in all stages of production and providing a high quality product to create safe packaging
- Light weight
- High resistance to humidity and rainwater penetration
- No tearing or puncturing when coming into contact with sharp edges
- Having a very resistant and flexible structure
- Having high adhesive strength and no need for glue when packing the products
- Stretch film production based on international standards

## Nylon Package

Types of Nylon Package:

- Soil Packaging
- Food Packaging
- Stationary Packaging
- Thick Nylon
- Sausage Packaging
- Disposable Gloves
- Agricultural Nylons

## Types of Agricultural Nylon:

Nylon planting seedlings

Irrigation nylon

Silage nylon

Mulch nylon

Greenhouse UV nylon

Greenhouse 5 layer nylon

All agricultural nylon products are recyclable.

## Cellophane

Types of cellophane:

- Adhesive cellophane
- Thick cellophane
- Food cellophane
- Pallet Wrap cellophane
- Flower cellophane
- Metallizer cellophane
- CPP Film

There is no limit to the width and thickness of the production cellophane.

## Shrink Wrap

Types of Shrink:  
Nylon Shrink  
PVC Shrink  
PET Shrink  
POF Shrink

All Shrink products are recyclable.

## Garbage bag

### Types of garbage bags:

- Garbage bag roll
- Colored garbage bag
- Industrial waste bag
- Recyclable garbage bag 
- Hospital garbage bag

## Zipper Bag

Two Major Type of Zipper Bags

- Regular Zipper Bags
- Sliding Zipper Bags

The current production size is 3 x 4cm to 30 x 50cm, but it is possible to produce larger sizes.

All Zipper bags products are recyclable.

## Bags with Handle

Plastic bags with handle is available in two categories, recyclable and non-recyclable.

In addition, there is no limit on the size of plastic produced.

## Food Plastic Bag

Types of food plastic bag:

- LDPE Plastic Bag (meat)
- OPP Cellophane
- BOPP Cellophane
- Bubble wrap

In addition, there is no limit on the size of plastic produced.

 Tehran Office:

Address: Unit 8, No. 11, Fereydoonshahr St., Azarshahr St., Iranshahr St., Karimkhan Zand Ave., Tehran, Iran

Tel: +98-21-88812456 EXT (320)

 Chabahar Office:

Address: Unit 68, Salehyar Complex, Imam Khomeini Blvd., Free Zone.

PO Box: 9971768409
